

## WHAT IS THE ALL SOUNDS UNLIMITED DIFFERENCE?

- ◇ Listed below and on the back of this brochure are some of the reasons why we charge the fair price that we do and what we will do to insure the success of your event.
- ◇ We will meet with you at your convenience 2-3 weeks before your event date and hold a special consultation meeting to make all the arrangements/ final plans for your wedding reception.
- ◇ You will meet with your personal MC/Event Specialist. During this meeting we will help you plan your entire event from beginning to end.
- ◇ Why waste your money on a planner or coordinator for the wedding reception; we are ultimately responsible for making sure everything happens at the right place and time.

## HOW WE MAKE THE DIFFERENCE?

- ◇ Your Event Specialist will arrive 1-2 hours prior to your event. We will speak with the on-site coordinator to insure everything is going as planned and review the dinner and hall arrangement. We will then set up our Professional Sound & Lighting System. We will also have backup equipment on-site.
- ◇ Your MC/Event Specialist will oversee that all details are taken care of at the venue and make sure all announcements/introductions/toasts etc. are done properly as discussed during your consultation.
- ◇ We will play the music in the manner that you requested. We will make sure it is always at an appropriate volume; that requests are played or not played according to your instructions. We will read the crowd to make sure everyone is having a great time.
- ◇ Your Entertainer will be dressed in professional attire, we will not drink, nor will we say inappropriate things or act like clowns.
- ◇ Finally we will be responsible for solving any problems that arise. We are quick to act. We are event specialists who will be responsible for one of the most important days of your lives.

## WHAT MAKES A WEDDING RECEPTION SUCCESSFUL?

As couples reflect on their lives, their wedding day usually stands out as one of the most important days of their lives.

They are planning to spend \$1000s on rings, gowns, tuxedos, invitations, honeymoon plans, flowers, cakes, & food; which is money well spent.

Spending \$1000s on hiring additional wedding professionals such as Photographers & Videographers, also money well spent. These professionals are at the affair to capture all your special moments. But, Who is responsible for making sure those magical moments all happen?

### The Entertainment Professional you hire.

Before making any quick decisions, you should consider what the entertainment company you hire will and should be responsible for at your wedding

## WHAT ARE THE RESPONSIBILITIES OF YOUR ENTERTAINMENT?

◇ Helping you in planning the entire flow & timing of the reception. (A Reception Planner costs \$300-\$500)

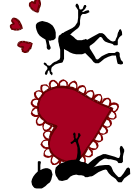

◇ Purchasing, Maintaining, Packing, Traveling & Setting Up a professional sound, light & music system. (Renting professional equipment similar to ours would cost \$300-\$500)

◇ Coordinating every event including Grand Entrance, Dinner, Toasts, Cake Cutting, Bouquet & Garter, Special Dances & more. (A Wedding Coordinator costs \$300-\$1000)

◇ Master of Ceremonies to make all announcements clearly & properly, directing the entire room. (A Professional MC costs \$300 - \$500)

◇ Disc Jockey playing the proper mix of music selected by you & your guests at the appropriate times & sound levels. (A Disc Jockey costs \$400 - \$600)

◇ Solving any & all problems that may arise. (Priceless, What does a ruined wedding Cost?)

## THE TRUE COST OF ENTERTAINMENT AT YOUR RECEPTION

◇ The combined total costs of these activities could be upwards of \$3200 (We do all of these functions and more for a considerably lower price).

◇ As you can see a huge part of the success of your event is directly proportional to the expertise of your entertainment company.

◇ It amazes me that some companies charge so little for such a huge responsibility or do they take the responsibility for making your event a success?
